

1/24/12

For Immediate Release

Nicki Peters 402-372-2463

To all Cuming County Public Power District customers: Schmader Electric will be working on power lines north of West Point. Affected area is the eastern section of 'Sherman North' Township in Cuming County. This is a two mile stretch on 18th road between roads K & M. Leaning of old poles has begun and new poles are in the ditches on the west sides of these roads. Setting of these new poles will begin within a few days. Please use extreme caution when driving on these roads. If any questions, please call the office at 402-372-2463.
