House Move will Cause Short Power Outages

Cuming County Public Power District crews will be assisting in a house move. The height of the house will require short – isolated power interruptions to allow for safe clearance. The house move will be from Wisner to Rosalie 9am Tuesday, January 29, 2013. CCPPD crews will meet the movers near Dodge on Highway 32 and move the home down 1st Road in Bismark township. The house will travel 9 miles north to P Road and travel east to 6th Road. The house will then be moved on Highway 275 to meet up with Highway 51. From there on Highway 51 it will be taken into Bancroft. Movers will park the house over night in Bancroft and will resume moving the house on Wednesday morning at 9:00am to 24th road. It will be moved north on 24th Road and then east on W Road the rest of the way into Rosalie. Customers along these paths will be notified if their power will be off for a short time. We request onlookers to not follow the CCPPD crews and movers when they moving the house through your area. Please plan alternate routes if you are planning to travel in this area. Contact the CCPPD office with any concerns or questions: 402-372-2463 or toll free 1-877-572-2463.
