## **Bancroft Community Guide is Complete**

Nicki White, Cuming County Public Power District Customer Service Representative, presented the Bancroft Community Guide to the Bancroft Village Board at their November board meeting. Accepting the guide was Jack Gardes, Bancroft Village Board President.

The Community Guide includes a variety of detailed information on economic development, labor, transportation, utilities, communications, taxes, community facilities & services, agriculture, raw materials and climate. This book will be used for anyone wanting to relocate to the community or bring a new business to the area.

Community guides have been added to NPPD's searchable website ([econdev.nppd.com](http://econdev.nppd.com)). Here is the direct online link for the Bancroft Community Guide:
