Work on Dodge Substation

Cuming County Public Power District crews will be upgrading our facilities at the Dodge Substation in phases in the coming months. Work will begin this week. Any disruptions in service will be kept to a minimum. Customers in this area will be notified of any planned outage. CCPPD wants to remind you to please drive slowly in this area and be cautious of workers. If there are any updates, we will let you know as soon as we have them.

Please contact the office with any concerns or questions: 402-372-2463 or toll free 1-877-572-2463.
