

2/21/12

For Immediate Release

Nicki Peters 402-372-2463

To all Cuming County Public Power District customers: Schmader Electric will be working on power lines north of West Point. Affected area is the mile south of the Highway 9 & 51 junction between R & S roads and a mile east on R road between Highway 9 and 18th road in Cuming County. Leaning of old poles will begin soon and new poles are in the ditches on the sides of these roads. Setting of these new poles will begin within a few days. Please use extreme caution when driving on these roads. If any questions, please call the office at 402-372-2463.
