Beemer Community Guide is Complete

Nicki White, Cuming County Public Power District Customer Service Representative, presented the Beemer Community Guide to the Beemer Village Board at their March board meeting. Accepting the guide was Doug Steffensmeier, Beemer Village Board President. (see attached picture)

The Community Guide includes a variety of detailed information on economic development, labor, transportation, utilities, communications, taxes, community facilities & services, agriculture, raw materials and climate. This book will be used for anyone wanting to relocate to the community or bring a new business to the area.

Community guides have been added to NPPD's searchable website (www.econdev.nppd.com) and under the Economic Development tab on CCPPD's website (www.ccppd.com).
