

6/12/12

For Immediate Release

Nicki Peters 402-372-2463

From Cuming County Public Power District: Schmader Electric will be working on power lines north of Snyder in a few weeks. Affected area is a mile and ½ north of Snyder on County Road 7 and a mile and ½ west on County Road B. New poles will be in the ditches on the sides of these roads starting Wednesday, June 13, 2012. Work should be completed by September. Please use extreme caution when driving on these roads. If any questions, please call the CCPPD office at 402-372-2463.
