Damage Update from Cuming County Public Power District

Cuming County Public Power District would like to thank each and every one of you for your patience in our restoration effort in the tornado damaged area. All customers that have their secondary wires cleared will have their power by this evening. We will continue the last of the restoration and clean up in the coming week. CCPPD wants to thank everyone for your continued support in this trying time. Please contact the office with any concerns or questions: 402-372-2463 or toll free 1-877-572-2463.
